“ To David, Wendy and family, My heart and prayers goes out to you, I knew Linda to be such a sweet and caring person to everyone she met. Even to a friend of her sister who happened to be having a baby at an older age. She made my baby girl the most beautiful hat and sweater before she was born, and she wore it home from the hospital, in fact in her newborn picture she was wearing it also. Please know that I'm sending all my love. Take care,
