“ *Aunt Loretta...you will be missed. YOUR SMILE and energy, knowledge and wisdom were received w/ gratitude. YOU ALWAYS had a kind word. The fond memories of sitting on your front porch in the summer, talking and learning about your amazing garden or the project you and Uncle Pete were doing were so fun. It was such a comfort to know you and be around you. The memories of your yellow pet bird that would sit on your finger and repeat your words still amaze me...loved it! Hearing you tell loving stories of how you met your sailor husband are still cherished in my heart. Your rest is well deserved. Your time on earth was our blessing. Thank you for all the lovely memories. Your niece - sara*

“ All of the cousins from the Mitten side of the family will deeply miss Loretta. She was so faithful to our moms and dads over the years and was also present when the Mitten family gathered whether for the reunion or for weddings and funerals. She will be greatly missed but we also know she is now with her loved one of so many years..

“ What a wonderful neighbor & role model Loretta was. The intelligent fun conversations on that porch and in her kitchen are priceless memories that will always be cherished. My mother also considered her a very good confident and friend. Our old neighborhood was made more special because of Loretta, Pete and their family. Those days will never be forgotten. Prayers and condolences to everyone in her family.
