“ *Lovena was an inspiration to all of us who knew her. Her steadfast dedication to her family....her determination to remain hard working at her beautiful flower gardens...and, of course, her brilliant smile whenever she met anyone.*

She surely set examples for all of us....whenever I think of Lovena, it is always of her working and sharing her talents We have been separated by distance for many years, but, along with my children, we often spoke of Lovena....remembering that her name began with LOVE...and how she shared that with everyone. Always one to step up and volunteer for any job that needed done.

Lovena and Jeff surprised us last year and well as the year before with a visit to us in Rhode Island and well as to Callifornia.....We cherish those moments and carry those recent memories in our hearts.

We will be with you in spirit as you say your goodbys to your Mother, friend and supporter.

Know that we keep you all in our hearts and prayers.

With profound love to you all.....Joyce and my children.
