“ Marilyn made 3-D cut outs of 4 of my favorite pictures. I have a couple standing on my desk in my office. Patients think they are cool, even had a patient today ask me where I got them. She was a generous, lovely lady and competitive as hell card player who hated to lose. I will miss her.

“ I didn't get to spend much time getting to know Marilyn, but my first impressions was that she was a very sweet lady, with a very kind heart and first impressions last forever. I was at her house Thanksgiving of 2023 and I got to see all the things she collected and cherished. Marilyn lived a very long life and I'm sure everyone has some fond memories with her included in them. I am happy to say that I am one of those people!

“ On more than one occasion I was with Marilyn's family and she made you feel at home. She also was a very good cook. If you left her house hungry that was your own fault. There was always plenty plus of food to enjoy plus the time spent with her was super! Enjoy yourself in Heaven Marilyn! God's peace be with you! Sue Miller.
