“ Our Love, Thoughts and Prayers are which each of you today. We are truly sorry that we are not able to attend Mamie's funeral. Mamie was a very special person to me since I can remember. From an early age, I remember her and Don's arrival at the cabin in Goulais River. We'd run down to greet them and a solid friendship continued on all my life. I like to remember Mamie's "YOOOOHOOOOO" as she came into the door of the home I grew up in. Her bright red lipstick and big smile were definitely a part of her that I will never forget. I enjoyed many fishing expeditions on Goulais with Don and Mamie, smelt dinners with Mamie's famous beer-battered recipe and best of all her strawberry pie. The last time I saw her was in April and although failing in health, she was still as sweet as always. I will miss her very much, especially since in so many ways she was like another grandmother to me. May your memories comfort all of you throughout the day today and the days to come. And may you find peace in Him we Trust.

“ Dear Debbie, I was so sad to read of your mother's passing in the paper. I know all too well at times like these that words just don't seem adequate or comforting enough, but please know that you are in my thoughts & prayers. I thoroughly enjoyed taking care of your mom when she was in Brichaven and please know that it was an honor and a pleasure to do so for her and you. May God bless and comfort you!###imported-begin##Kimberlee Herbst##imported-end##
