“ Such a lovely lady with a warm smile. I always enjoyed talking to her and Janis Schmidt. Loved when they came into East School to get the kids for religious ed. So glad I stopped to visit with her a few times at the nursing home a year ago.

“ I thought so much of Marilyn as we shared many of same beliefs and both enjoyed the water and our love of music. The highlight of our Lee family reunion was going swimming with her. I now live in Allentown, PA near my daughter. I moved here in Jan. 2019 but my daughter and I did see Marilyn at the 2019 reunion. Never dreamed it would be our last visit but now I doubt if i will ever return to Ohio. My husband always had to stop at the hardware in Upper when we traveled from Findlay to Akron. I have wonderful memories as I am sure you have. I am sure Marilyn is now at peace. May God make her loss easier for you. With love

“ So sorry to hear of Aunt Marilyn’s passing. I know her loving family was with her during her final days. She was very special to so many. Loved hearing her snicker during conversations, especially when she was trying to keep it quiet. I believe Russ has inherited this skill. The last of the three sisters who were oh so close! Came from such a loving family. She will always be in my heart and memories. All take care...

“ *I am so saddened to her the news. I chose books (playaways) for Marilyn from the library. She was always present when I came out to share books and items from the museum. She always helped keep the conversation going and had many stories. I haven't seen her in quite some time due to Covid of course, but I will miss her greatly! Many prayers to her family on such a great loss.*

“ Marilyn was one of the sweetest, most gentle, yet strongest ladies I’ve ever known. Her friendship with Janis was classic. I was in awe of Marilyn each time I watched her water-ski, or swim laps at Ellis. Marilyn was a grand, loving friend. Sending you all strength and love during this difficult time. I will miss her.
