*Jon -- Thank you so very much. I can only hope! But, at a time like this, as his wife, I feel so inadequate. So many widows have shared that they, too, felt the same way after losing a husband -- that you think of all the things you should have done and should have said. Regrest are overwhelming, to say the least. So, for that very reason, messages like yours are such a comfort. Thank you so much, Jon.*
