“ We send sincere sympathy for Martin’s loved ones. He had been associated with my dad, Dean McAllister and Wyandot County was fortunate to have Martin serve as a dedicated Deputy with the Sheriff’s Department. Then our grandsons were confirmed at St. Mary’s when Martin, along with Knights of Columbus made their formal tribute at the Confirmation Masses.

“ When Martin was young he had a wreck on his English bicycle and broke his collar bone. My parents bought that bike for me and I rode it for a few years. I also remember Martin when I delivered the Sunday Toledo Blade to the Sheriff’s Office. He always joked with me. May he rest in peace.

“ My whole family loved Martin so much. We met him at church, but he almost immediately became family to us. Martin was one of those people that went out of his way to show love and serve others. Not long after we met, he volunteered to take my twin 15 year old boys to get their driving hours and he ended up doing almost all of the hours with them....thats almost 100 hours of driving! He told us he loved every minute of it. They developed a wonderful relationship and Martin would show up to their cross country and track races, to their choir concerts, graduation, and even when they went through the temple for the first time. Martin never missed any of our birthdays, we always got a card in the mail and he always remembered our favorite chocolate at Christmas. More recently my kids have loved going over and helping Martin with cleaning, grocery shopping, or moving big items in his house. I asked my youngest son a few months ago after he got back from helping Martin get his groceries how it went and he said, “Great, when I help Martin, I end up feeling like I was the one that was served.” Martin was just that kind of guy. We loved every minute that he spent with us at our house, at church, at his favorite bologna sandwich place in Waldo, all of it. He was a good, hard working, loving man and we are so thankful to have had him as part of our lives.

“ Oh Martin. You were the last of the Sunday morning meeting at Koehler Drug.

Dear family so sorry. When Terry died he called me weekly for a while to check up on me. It did help me get through. I will miss hearing his voice.
