“ Was browsing here looking for an obituary of my Aunt Mary Lou Perri when I discovered this one of Mary Jane. I remember her well. She was my Aunt Jeanette Perri's best friend and I thought she was fun. I only saw her a couple of times in my life and I was a child then but her personality looms large along with her brother, Bob's. They were all great friends and so funny. I am sorry to hear of her passing but not so amazed that she lived to be 99. My condolences. We lost some good ones.
