“ Living way out here all these years, I always enjoyed visiting Aunt Jeanie when I came back to Ohio. Once I stayed with her for a few days. We fed hot dogs to the stray cats, talked antiques, watched "Who Wants to be a Millionaire", and had chocolate and popcorn for dinner while playing cards. Aunt Jeanie was always looking for a laugh and we sure had a great time. I want to be just like her when I grow up! Bobby and Ben, I pray that all these family memories will be of comfort to you, and that you will know how much she was loved.

“ Among my many memories of Aunt Jeanie are the times she took my sisters and I fishing. I think she spent more time dodging the fishing hooks as we cast out! Then we always went for ice cream afterwards. I remember going up in Uncle Bob's airplane when we were too young to know we should be scared. We also cut down our Christmas trees on their farm. They were dear people who will always be in my heart. My deepest sympathy to Bobby and Ben.

“ Rest in peace Dear Sweet Aunt Jeannie. We had many wonderful times at the farm staying with you and Uncle Bob. Thanksgiving dinners, playing in the barn, Hunting Pheasants, running from the roosters to get to the out house, Hound dog races, Salt and Pepper Shakers, there are just too many memories to list. You are with Uncle Bob now and I know that you are happy and at rest. Wil always love you. Gwen, Fred, Tom and Barbara Pringle

“ We dearly loved our Aunt Jeannie and Uncle Bob. We loved to visit the farm and stayed there many times over the years. I remember spending Thanksgivings at the farm, going Hunting, and playing in the barn and the out house. We had to run from the Bantie Roosters to get to the out house. So many memories too many to list. Rest in peace dear sweet Aunt Jeannie. I know you are wth Uncle Bob now. Love Gwen, Fred, Tom and Barbara Pringle

“ Fond memories of going to Bob and Regina's to cut down our Christmas tree as a child. My dad always had a story to tell about you from UAP. God Bless you, Regina.

“ I met Regina and Bob through our mutual love of antiques. She was so excited when my husband found a buyer for the huge threshing machine that was taking up so much space in their barn. From then on we had several occasions to visit. She came to our shop and several times I visited her at her lovely home. She was a really good lady. I extend my deepest sympathy.
