“ *I am so grateful for all of the family reunions that Marylee organized over the years. She would send cards and pick a sight for us. It was a lot of work, but she helped make a lot of memories for all us of our Murray heritage. She was a very family oriented, gentle lady. Now, she needs to plan some family gatherings in heaven..which is probably on her agenda..Loved you ..your cousin, Janice..*

“ I have so many memories of the time I spent at your house, around your table. I can still hear your mother's laugh and see her sweet smile. There was always room at the Laudick house for another person be a foster child, relative, or friend. Mary was special and will be missed.

“ Mary treated me like part of her family. She was so kind, loving, thoughtful. A absolutely amazing woman. Prayers to the family for comfort and peace. I will never forget her She bought a little glass Hershey kiss for me. I can't remember the story behind it right now but it was such a beautiful gesture.
