“ We're here for you during this difficult time. Mary Jo could make
anyone smile and I loved that about her. It was always funny how
Cale would take to Richard before her and she would just laugh and
joke about it. I always enjoyed the stories she had about my dad
and how ornery she thought he was. She will always be looking
down at your family and smiling. She wouldn't want anyone to be
sad for her but that is impossible. She will be greatly missed. Love,

“ No words can express the love I had for my sister. She was my sister, my best friend and in many ways a mom to me. She will always be in my heart and my thoughts everyday. I am content knowing that she is not suffering anymore. I was so tired of her being sick or in pain. I know she will be having a family reunion soon and know she will be with my mom, my dad, brother and my son.

Bryan and Deanna, Be proud to have such a wonderful mom and know that she loved all of you.

Life isn't fair, but we have to go on and I know how hard that is at times.

I love you all and I am here for you also. Aunt Jackie###imported-begin###Jackie Roberts###imported-end##
