“ Sorry to hear this said news of a fellow collegian at Forest School. I always loved her dry wit that would keep us in stitches during meetings. We would be stifling guffaws and she would be there straight-faced as if nothing was said. Also I recall the time she rode with me to a mtg. at the Plaza Inn. I wasn't sure of the way but we were merrily riding along thinking we should have arrived at our destination!!!??? Needless to say when we can to the sign that stated "Welcome to Bellefontaine"----We knew we needed to turn around. Of course this was way before cell phones and GPS. Mr. Burgess was pacing the floor at the restaurant awaiting our late arrival. Many prayers go out your way. Terri Opper
