“ I am a loyal Kroger shopper. Merle waited on me many times. I would wait in his line even if it was longer, just to say hello. He was always kind and patient. He reminded me of my grandfather who passed a few years ago. My thoughts and prayers are with you and your family. He will be missed by many!##imported-begin##Joanne Longbrake##imported-end##

“ Merle and I met over thirty years ago when we were both working in agriculture. Years later, as I did my shopping in Kroger where Merle cashiered, I can remember standing third or fourth in line at Merle's register many times. A neighboring cashier would say, "I can take you over here." I would reply every time, "No thanks, I'd rather wait here and catch up on old times with Merle." He was as friendly and good-natured as any person I have ever met.##imported-begin##Max Trachsel##imported-end##
