“ Penny,

Mike has a special place among the great memories that I keep from my years at the 179th. He was a proud member, an accomplished leader, a gifted mentor to many of those he worked with, and most of all, a good friend. I am proud to have served with him, and will remember the accomplishments that we shared. Please accept my condolences for your loss, and my regrets for being unable to return for the memorial. Our thoughts and prayers are with you.

“ Dear Penny,

I am so sorry of your losing your devoted husband Mike. I know how much you loved him and worked together with his business. I lost my Mother on May 3rd due to a hemorrhage of the brain she suffered on April 24th. I stayed overnights with her and she rallied at the very end with all the strength God gave her to look at us all deeply and with a little tear and expression she gave up her spirit. I witnessed a miracle at the end of the strength of her spirit along with many members of our family while she was in a beautiful hospice that my brother Steve works as a nurse. I have learned much about death and the dying and will use my knowledge to help others as we should always share our gifts freely. We have both suffered on extreme life loss. Please, call me when you are able at 419-884-0882. I will give you my new number. The Lord will only give us as much as we can handle one day at a time. God Bless you and Love, Helen L. “ Penny, I so sorry to hear about Mike passing. He was one of the good guys. I recall with great fondness the cross-country missions and deployments that we were on together and the good times we had together.

I know platitudes such as mine do not lessen the pain of his passing much but remember that Mike will live on in the memories of a very large number of men who's lives he touched.##imported-begin##Jim Smith (Lt Col Ret)##imported-end##
