“ *I'm very sad to hear about Millie. It's been years since we've spoken but I do remember having a lot of fun working together with her at Guardian in the 90's. What a great person!! I hope that memories of her will bring comfort to her family and friends.*

“ *Millie was always my favorite cousin and loved her very much. She was always sweet and kind and loving. i visited her in Columbus I believe about 2 and a half years ago in her room in Columbus and we shared so many great memories and talked about family and how much we both loved our families. I told her that when she got married, it was my first time serving mass for a wedding and that I was nervous but she looked down at me and winked and made me feel so relaxed. She said she didn't remember that but I do because I needed that wink. We talked on the phone about a year ago and I have kept that voicemail as I love Millie and how she always told me I was important and handsome when I didn't feel that way. The earth has lost a very bright shining light to give us guidance but I know she has the peace of God and heaven now and God probably created a new star so that we will always feel her light and love. I will forever remember the amazing person you are Millie and I love you always, Tom Frey*

“ Just the name Millie Hartle floods my mind with hundreds of memories of love and life shared. These kind of memories keep me going. There were times on the early AmTrack trips to Chicago, in the office and the kids watching TV in the living room, on the farm and in your new home. Don't have enough space to continue. I love you all and I am sorry I cannot make the funeral. You all will be in my thoughts and prayers.

“ *What can I say about Millie that already hasn't been said. The Aunt that we all cared about in so many ways. She was loving, caring, sharing, warm, kind, beautiful, gifted, wonderful, so full of life and never ending energy. I am sure she had her moments, but she would always know what to say when you needed a pick me up. I will never forget hers and Terry's wedding. The family get together's in Kirby at Viola and Albert's house growing up and at the old farm house before they built their last house in Kirby. I loved every time we got to get together with everyone. I will truly miss her and know that one day I will see her again. She is with Mary Ellen, Albert, Viola, Willis, Richard, and the rest of this loving family in God's Kingdom. She taught all of us the true meaning of carrying your cross, turning the other cheek, helping a stranger, walking the walk that Jesus set the example for us. I could continue on as you all know. Words can't describe all that she was to us. I pray that Terry, Shelly, Chris, Kim and all the grand kids remember the wonderful loving memories that she gave them all and keep the joy of her spirit in the continuing life of the Hartle family. May we all join in the celebration of Life that she would want. AMEN*

“ I remember when she was queen of queens we were all in awesomeness at her beautiful dress and how beautiful she looked and when she and Terry were married again she was so beautiful 😍 and as I grew up I realized that her beauty was coming from within and that's why everyone that would meet her loved her and saw that she was a true lady with no prejudices or judgmental thoughts about people. She will be missed dearly but not forgotten I loved being around her, talking to her and most of all proud to call her my moms little sister my Aunt Millie. Love 💕 to all the family and pray that your happiness with her over takes your sadness without, may our Lord bless and comfort you during your time of sadness.
