“ *Miriam was a gentle soul that had a wonderful penchant for the
Ohio State bird and has a wonderful collection of all things revolving
around the cardinal. Her home is a tribute to the red bird and I
always think of Miriam when I see the cardinal, wherever it appears.
She loved mushrooming hunting with Dave and the family and
traveled to Michigan multiple years to find the elusive fungus.
Miriam had a strong love of family and it was an honor to have her
be part of our family. She is a treasured part of my life and will be
dearly missed. Rest easy, Miriam. Love, Cynthia Riedel*
