“ *Jim, Bob, Joanne and families*

*Our deepest sympathy on the death of your wonderful mother. Your parents had moved to Leipsic with Libby's just a few months before we arrived and they were both so helpful and kind to us and we have been friends since. I enjoyed talking to your mother every day while my dad was in Meadows during the last six months of 2006. We had a lot of visits and if she was not in the hallway I would go to here room and visit with her. She seemed to really appreciate it. We will hold those years of memories forever.
