Tribute Wall

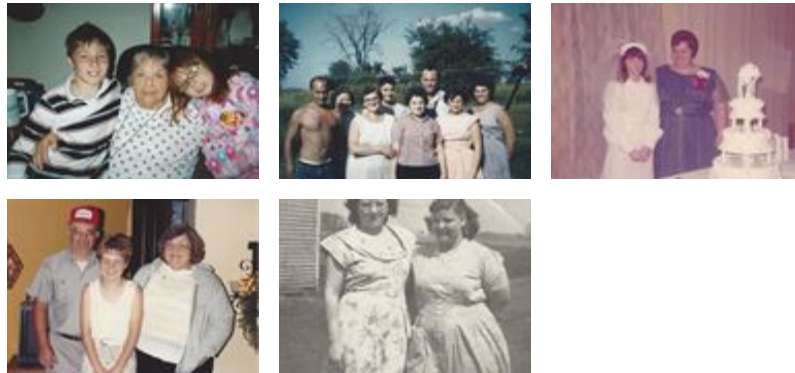

“ I miss Grandma Fehnel's crafts and her crocheting stuff for us. I miss the family get togethers for holidays and her chips and dip. It was fun going to George and Janie's house for bbq's too and us all being there and playing with Krista. When my parents divorced and my mom remarried to her son Jim Fehnel, she became my grandma and she cared for me and my brother just like her own family. I tried to visit every year I went home to Ohio to visit family but didn't make it the past couple of years. Sad I didn't get to say goodbye. I was hoping that see you later was enough. I kind of had a feeling that it was goodbye that last visit. Good memories. Good times. Will miss you even more now Grandma. XO
