

## Nancy A Newman

July 18, 1942 - November 5, 2019

Nancy Ann Newman age 77, of Sterling, Virginia, died on Tues. Nov. 5, 2019 from breast cancer in the Upper Sandusky house where her mother was born and where her husband later lived with his mother and step father. She was born on July 18, 1942, in Bucyrus, to the late Richard W. and Maxine (Cammarn) Niederhauser and graduated from Nevada High School in 1960. Nancy was born a Buckeye and wanted to die a Buckeye.

During her sophomore year at the Ohio State University, Columbus, she married Larry B. Newman, formerly of Upper Sandusky, on December 17, 1961, in the Nevada United Methodist Church. During the next 10 years Nancy and Larry lived in 12 different eastern states from Maine to Florida while he was doing topographic surveys for the U.S. Geological Survey. After moving to Sterling, Virginia, in 1971, Nancy resumed her education becoming first a registered nurse and then a nurse practitioner. She earned an associate degree from Northern Virginia Community College, bachelor and masters degrees from George Mason University, and her nurse practitioner degree from Marymount University. She worked in several medical facilities in Virginia, Maryland and D.C. before retiring from Inova Fairfax Hospital.

In addition to her husband she is survived by a daughter Jenny (Doug) Hall of Pataskala, three grandsons: Alex (Elaine Stingel) Hall of Gahanna, Andy Hall of Orlando, and Greg (Maggie Butcher) Hall of Chicago, a sister Susan

(George Denzer) Abbott of Mascotte, Florida, several nieces and nephews, and two loving English Springer Spaniels, Buckeye Blazer and Scarlet Ann Gray. She is preceded in death by her parents and sisters Mary Niederhauser and Janis Holdcraft.

Nancy was an avid OSU Buckeyes football fan and tried to attend a game every year when her son-in-law and later all three grandsons were trombone players in the OSU Marching Band. From 2002, when Nancy became a hunter, through 2018, Larry and their dogs made an annual trip from Virginia to Roy Lake Resort in northeastern South Dakota for pheasant season. Some of her other interests were golf, bowling, walking the dogs, meeting with friends, reading, knitting and crocheting. She was a member of several nursing associations, Pheasants Forever, the Warpole Chapter, Order of Eastern Star, and a former member of the Nevada United Methodist Church.

“ Nancy, many at WW will continue to admire your great courage as you chose to live each day despite knowing that you had a terminal illness. You were and always will be a model to all of us when we face adversity. You are loved and you will be missed.

“ I worked with Nancy on the GYN Women's Medical Surgical unit at INOVA Fairfax Hospital in Falls Church, Virginia. Those of us who are older "seasoned" and some retired nurses get together every other month for lunch somewhere. We have watched Nancy fight this cancer and fight hard! We last had lunch with Nancy in September 17 at Cheesecake Factory. She didn't have an appetite but we were so happy she was able to come with another nurse friend and enjoy the conversation and the hugs. Most of us knew this was probably the last time we would enjoy her company in-person.

One wonderful memory I have which speaks to her thoughtfulness: I have a 28 year old special needs son that would sometimes come to lunch with us. He loves Dot-to-Dot books. One day we walked into a lunch at Olive Garden and she pulled out a Dot-to-Dot book for Brian that she happened upon while grocery shopping in GIANT. Little things like that made us love her even more.

Sad she was taken from us earlier than we'd like but good to know we have someone in Heaven watching over us. God bless her!

P.S. Her wedding picture is just gorgeous!
