“ I don't know any of you personally but wanted you to know that I have prayed for you and Nathan. I was the third car in line on 224 heading east the day of the accident.

May God hold you all in the palm of his hand and bring you comfort as the days pass. And may you all be blessed with the love and support of friends, family and your community in this most difficult time. I pray also for Nathans brother.

God bless##imported-begin##Kristi Felton##imported-end##
