“ My name is Danielle Patton I worked with Robert I was one of his home health aides and I had the enjoyment of knowing both of them. I always enjoyed going to their house and knowing when I was having a bad day that Nellie would brighten it up. She was always so cheerful and lots of smiles. But was full of Love and always had good things to say about everyone. I use to look out for her as much as I did Robert. I just know that her and Robert are so happy to be back together again. They always looked after each other. God has 2 very special angels on his side. They are looking down on all their loved ones and keeping you all safe. May God Bless you all and thoughts and prayers are with you.##imported-begin##Danielle Patton##imported-end##
