“ *"Normy". I learned some of the basics of life from her when she took care of us while we were little. Some of my memories are not the clearest given I was probably 5 or less at the time, but there's one thing I remember for sure. Normy was cool.*

“ *Norma's smiling face and friendly deameanor we're surely appreciated by the Sheriff's family as she maintained the kitchen, preparing meals for the prisoners, as well as efficiently helped to keep things organized at the living quarters of Wyandot county's jail in the late 1950's. We offer our heartfelt condolences for the sad passing of our dear friend, Norma.
