“ Shirl,

Just wanted to send our condolences to you. We met you at an auction last summer or maybe the summer before, you had your little white dog with you that day. My family was back door neighbors with Norma back in the 50s and my brother Marlon was good friends with her son David. Through the years we spent some good times together with Norma. Glad you had time to enjoy her for yourself also. She was a good friend although we didn't see much of each other these past few years. God bless you.
