“ I have many fond memories of Patty as we were growing up. I remember one time out on the farm, I was probably five or six and I was leading my pony in the field and Pat was riding hers as she followed behind me. I tripped and fell and Pat proceeded to ride over me. Nothing hurt but my pride and I learned that day that there was no stopping Pat from getting where she was going. I'm going to miss her and Uncle Burl very much. Love and prayers to Aunt Jennie and all of Pat's children and extended family.
