“ Chris, we are so very sorry for the loss of your brother. My prayers and thoughts are with you and your family. I remember being young and going to your moms and Paul would always come down the stairs and stand there with his hands in his pockets with the biggest smile and the brightest eyes and always say "hi" and asked how I was and would want to talk. He was always so happy.

*My brother, Paul, was such a special man. He always cared about others, and never met a stranger. His smile always lit up a room. And yes, he gave those bear hugs!!! My heart breaks, at his passing! I was coming to visit this Christmas and surprise everyone, but God had other plans!! I remember growing up with Paul at home, he was always like a papa bear over me, always trying to look out for me, with me being the baby!! I remember when I was at home, he loved to play tag in the yard with me and he even did that with my children! When I was dating my husband, Paul would come out to where we were and sit there, and talk to us for hours. In his own way, he was watching over me. He never knew a stranger at all! He was always so happy to go fishing, boy, was he excited when he caught one!! I have so many special memories of my brother..I could never tell u all of them..I will miss him greatly, I wish I lived closer to him so I could have spent more time with him!!! But, life had different plans. Paul, I know you are with Jesus, daddy, Tim, and all our loved ones! I will miss you more than words can ever express! But, you have given me many special memories, that I will carry forever with me!! You will always be a part of me, in my thoughts, prayers, and mind forever!! You are sadly missed by your baby sister, Venora Layetta Williams, her husband, and children!! Always in my heart!!*

*I remember going to visit my grandma Rowe and my uncle Paul was there. We spent time playing Games outside. He loved and enjoyed chasing us kids around! He always was smiling chasing us around that yard! He was the cookie monster! I hold that memory so dear right now!! It was fun and I enjoyed it! I wish I got to spend more time with my uncle, but we moved to another state! I will always have a special place in my heart for my uncle Paul! I miss him and will remember him! I miss you uncle Paul!*
