“ WoW, i only heard of the news yesterday and STILL can not believe that it is real! Spunk, i have known you since i was 15, and we were "on off" until i was about 18, pretty much stayed in touch through the years, then u met "Mrs wonderful" u did good picking Chris, she is a great human being, and have became internet pals w her :)

As others have mentioned, no matter what you were going through, your shoulder was always lent for someone else who needed it.

I think my fondest memories were when Emma Mark, you and I were in mischief, had the best times then, my favorite was when u two were out stealing xmas lights, Emma and i laughed so hard watching you two.

I am so sorry for your loss to Spunk's entire family! times like this, i never know what to say, but Chris, as i said before, if you need ANYTHING at ANY TIME , please don't hesitate to call, i will be there for you, you are a wonderful soul, caring, and i KNOW you loved Spunk more than possible, i can only imagine you and the kids's pain, You are ALL in my thoughts and prayers, i wish i could have made the funeral, but i found out 2 late and couldn't adjust things in order to make it.

God Bless You ALL!!! you will be truly missed Spunk, and NEVER forgotten!!##imported-begin##Pam (Mabrey) Lightner##imported-end##

“ *My dearest friend Paul.. I am sorry we did not get to say good bye. I know I will hurt for a long time for that one. I see you pull up to my moms and dads house like you use to do to so many times, and me running out to jump in. I often think of them times when we where young and dumb and we didn't know nothing. I have not been there in a long time and I always thought we would be old and laughing and still doing what we always did. You where my best friend paul and I will miss. I wish I could be there but I can not make it there that fast from here and It really hurts. You where my bother in life and I know you where doing what you always did.,,, being "Spunk" my friend ,, I will miss you like you could never know. You where the one person that was always there. I will never forget our times we had in life. Not all good I know, but it is what we did that matters and the memories we made doing it, is why I call you my friend Paul. I will miss you my brother.##imported-begin##Mark Humphrey##imported-end##*
