“ This is very sad news to hear...i'm Very sorry for the family and friends. I worked with Annette for 12 years at OSU Marion and she was always so nice to me and my kids when I would bring them in to work. They always wanted to go and see Annette because she would give the kids candy and talk to them. I will miss my conversations with Annette at work. Please know that we are thinking of the family and friends at this tough time.
