“ My deepest sympathy to Ray's family.
I met Ray years ago when he was a customer at the bank where I worked. He was one of my favorites, always smiling and friendly. I hadn't seen him for awhile after I changed jobs. I ran into him at the Post Office a couple months ago. When i asked if he remembered me, he said he knew my face, but not my name. When I told him my name and the bank I used to work for, his face just lit up.
We talked for quite awhile. During that time, we realized that we were "neighbors". He said when the weather got better, he would come down to see me, but that never happened. I was looking forward to visiting more with him. I was amazed at his memory for dates and numbers. He told me the serial number to the first gun he was issued in the service.
I'll will miss him. He was a very kind and "gentle" man. We've lost a very Special Person.

“ Already we miss Ray. We loved talking and visiting with him when he came to the 738th (M) Tank Battalion (SP) Reunions in the fall in Lebanon, Tennessee. He was loved by all for his quick wit, his positive attitude and his wonderful friendship. His visits with us after the reunions were very special. Ray and my Dad, Hubert, made a lasting impression on my 4th grade students when they shared their memories of WWII with them. We are glad that our paths crossed with Ray in this lifetime and we will look forward to sharing an eternity with him. Ray's service to his country for his fellow Americans is deeply appreciated, He will forever be a treasure in our memories and we will always be thankful for our dear friend, Ray. Phil. 1:3 We will thank our God upon every remembrance of "RAY"... Love and Sympathy, Hubert, Erma Lee, Ed and Brenda##imported-begin##Hubert & Erma Lee Hill, Ed & Brenda Miller##imported-end##

“ I never got to spend much time with my Uncle Ray, but the time I spent with him was very rewarding. He was my link with the past and a steady presence in my heart and mind. Ray never failed to cheer me and others around him, and was a very positive force for many. He was very sharing of his feelings in the letters he sent me and I appreciated the emotions he shared in his letters. The last letter he sent he professed his faith and love of our Savior Jesus Christ. Because of his passing I have relearned a valuable lesson: "You can never do a thing too soon before it's too late". Those who live in the Lord never see each other for the last time. With love to my Uncle Ray and our family. Maple##imported-begin##Maple Woods##imported-end##

“ Ray will be missed by his neighbors. He was a great friend and neighbor to have.
My favorite memory of Ray was how much he loved my golden retriever Keegan. She always loved visiting him. She will miss him as well.
Many sympathies.##imported-begin##STACI
