To Carol & Family with deepest sympathies, I wanted to tell you how often I have thought of you and Jack since last caring for him before Cortnie replaced me. I always enjoyed our long talks together and reminiscing about Jack's hobbies and life. He may have been too proud to ask for help but was never ashamed to share about his love for Carol, his Family, Fishing, and Camping. Please know you all are in my heart and in my prayers. My hope is that your memories of Jack bring you comfort.

Carol and Family, My deepest sympathy to all of you in the loss of Jack. He was a wonderful man who will be missed greatly. For us that love the Lord and look forward to eternity, we can be certain that we'll be with him longer than we'll be without him! Hold onto the fond memories, they are what get us through during the very difficult weeks, months and even years later. Carol, Suzy, and family, I was deeply saddened to learn of Jack's passing from Uncle Rex last evening. I consider myself fortunate to be able to call Jack a friend. I met him as a young teenager and over the years shared hundreds of memories with him on the boat and in the field. He was also there when I needed advice, or just a chuckle. I can still hear that big voice bellowing out as we all gathered after a hunt. I am so very sorry for your loss, and I truly

hope that you are able to find peace in this time of mourning. Jack meant a lot to me, and I will forever be grateful that I was able to share time with him. Clark, Kristin, Hunter, Brooke, and Chase Allen
