“ *Dear Hilda and family, we send our deepest sympathy, and all our love at this time of loss. Our loved ones leave behind spaces in the world that can never be filled. But they also leave behind love and light in each of us, sparks of joy and hope that live in our hearts and give strength to our souls. May God be your strength in the days to come.*

Richard and you and all the family will remain forever in our hearts.. The memories of family will never be forgotten.. May your memories comfort you until the Day God calls us home once again to be reunited..

Hearts remember... Long after we've said our good-byes, our hearts will remember.

All our love and Prayers

“ I worked with the Colonel at Cooper. He was a man who worked hard, but I remember some of the moments you get at times which gives you the opportunity to know them better. One moment was when he described some of the characters he met while in the military. He described a man from Philadelphia and how this man was cool and he knew he was cool because he had a cool walk. The Colonel would then demonstrate the cool walk leaning to one side with one arm hanging lower towards the ground. I was fortunate enough to see the "Cool" walk a few times before he retired which always made us Rofl before there was an abbrev. for rolling on the floor laughing.

I know of his Faith in the Lord which means I and all of the others who will miss him will have an opportunity to see him again, don't miss it. My thoughts and prayers go out to Hilda and the family and friends of Richard in this difficult time.

My warmest regards,
