“ *"The day Mom returned from her normal summer trip, I got a phone call from one of my sisters that said "mom is home and she brought a man home". I left work early and ran home to her house to see this man she brought home. From that day forward Richard earned our families respect. He is the only grandfather that my 2 boys have ever known. He will never be forgotten. Now we just have to figure out what to do with all the bologna and hot dogs." My prayers are with everyone in this blended family.*

“ *Richard came to San Antonio with my mom, Helen Tetteimer, and was accepted into the family from the start. He made us all laugh and smile alot, he made friends with our long time neighbors and created his own place in the hearts of our community. Richard was the only grandfather on my side of the family that my daughter ever knew. We carry an empty place inside knowing he is gone but know in our hearts that he will forever live on in our precious memories.*
