“ Keith:

I was out of town last week and just now learned about the death of your dad. My deepest sympathies go out to you and your family. Although I only knew your dad in passing, he seemed like a such a kind and soft-spoken person. Several times I spent a few minutes in conversation with him down at the log cabin during the fantasy of lights. Like you, he always seemed to be serving others in the community. I can only imagine how much you are going to miss him. Losing a father is one of life's most difficult challenges. You will be in my prayers.

“ Dear Aunt Joyce, Kathy, Connie and Keith - We are so very sad to hear of Uncle Gene's passing. In our home he will always remain larger than life. We have wonderful memories of spending time with you on the farm as a family. Even though Neil was but 5 he still over the years would talk about seeing the farm with Uncle Gene. You are in our prayers and those of our congregation. The Lord has welcomed home a faithful servant. Peace and Love to you this day and always. Bill, Patty, Neil and Ian##imported-begin##William P.
