“ I worked with Rick for a few years, he is a great guy and he will be greatly missed by many. He was always smiling no matter if he was having a bad or good day. He enjoyed making others laugh and he enjoyed making other people's days better. I send my condolences and you are all in my thoughts and prayers as you go through this time.

I never got to work on same shift with Rick but he was a very nice man. If you said hello to him, he would say hi back. A lot of people are going to miss him and his smile he always seemed to have on his face.

Didn't know Rick well. Met him at Tammys and his home a couple years ago. It was cold out but he was busy working outside before going to work. God bless you Tammy and girls and grandchildren. May He keep you under His wings
