“ Terry--

Thank you for the opportunity for us to be of service to your Mother. I visited her a few times, and she was always glad for the visits and the prayers.

I remember the first day I met her, there was a photo that our Social Worker asked who it was. Your mom didn't answer her right away-- and I said I didn't know who it was, but she sure was cute. Your mom just grinned, she was so tickled by that comment. She must have been a very sweet woman.

May all your memories of her bring you peace in the days of grief to come, and remember, if you need someone to listen to you, we are only a phone call away.

God's Blessings to you today and in the days to come,

Jackie

“ Sending love to my entire family in Upper. I so wish I could be there this weekend but hopefully we can get together another time on a happier note.

Terry, you are a bright star in my life and all of us in North Carolina are here for you. What comforts me is knowing my dad (Gerald), Rita, Janet, Grandma, Grandpa Moore, Brother and my dad's twin are all together sharing sarcasms and bickering about something! We love them for who they are.##imported-begin##Judy Moore##imported-end##
