“ I was lucky enough to call this man my father-in-law. I was totally blessed to marry into this loving family who accepted me with open arms. A funny story, in 1980 something I was running register at Ben Franklin's & a man came up with a for sale sign. I asked what he was selling & he said a Monte Carlo. I told him to put the sign back because I was looking for a Monte at the time. Can you believe that was Bob I bought the car from?! I started dating Barry in 2002, it only took me a couple of decades but I was meant to be in this family💜

“ I have very fond memories of Cousin Bobby growing up, especially the couple of summers working for Culver Construction. I always enjoyed being around Bob with his easy going attitude, ease to laugh, and letting me drive the dump truck. He and Ron made roofing houses fun. God Bless him. Condolences Wanda. Rex Culver

“ I am one of the many that knew Bob. From grade school to years afterwards. He seemed like a brother to me. He was there when I wanted someone to talk to. Regards what it was from nailing a straight nail in wood. Or how to make something. I will miss our talks. To everyone in his family may days be easlier than days before.
