“ *I briefly knew Bob after returning from Vietnam while stationed at Ft. Bragg North Carolina. Bob was a good friend of the enlisted men. So sorry for your lost.*

While packing for an upcoming move I came across some of my army clothes and one of the items was a belt mixed with mine. Closer look revealed Bob's name and Soc. number on the inside. I googled his name and number, and this is how I found out about his death.

*He was a good guy.
