“ We (Jeff/Teresa Brown) are so very sorry for your loss! I (Teresa) used to work at Tree Town Inn several years ago. Enjoyed Bob coming into the restaurant, drinking coffee at the round table. Where all sitting there would try to settle all the towns problems. Things never got settled but at least those sitting there had their say. Bob would drive around on his gulf cart sometimes twice a day on our road (N. mary St.). We would wave and say HI BOB!! He was a very nice man. He will be missed very much. Thank you for allowing us express our memories of Bob.
