“ I am so sorry for your loss. I am Pennys daughter Tammy. Mom worked with you at Hardin county home. I always liked this saying and thought it might help. Maybe... Always Tammy Martin (Bayes)

To my dearest family some things I'd like to say but first of all to let you know that I arrived okay I'm writing this from heaven. Here I dwell with god above. Here there's no more tears of sadness here it's just eternal love.

Please do not be unhappy just because I'm out of sight. Remember that I'm with you every morning noon and nighth. That day I had to leave you when my life on earth was through, God picked me up and hugged me and he said I welcome you.

It's good to have you back again you were missed while you were gone. As for your dearest family they'll be here later on. I need you here badly you're part of my plan. There's so much that we have to do, to help our mortal man.

God gave me a list of things that he wished for me to do. And foremost on the list, was to watch and care for you. And when you lie in bed at night, the days chores put to flight. God and i are closest to you... In the middle of the night.

When you think of my life on earth and all those loving years because you are only human, they are bound to bring you tears. But do not be afraid to cry it does relieve the pain. remember there would be no flowers, unless there was some rain.

I wish that i could tell you all that god has planned. but if i were to tell you , you would'nt understand. But one thing is for certain, though my life on earth is over Im closer to you now, than i ever was before.

There are many rocky roads ahead of you and many hills to climb but together we can do it by taking one day at a time . It was always my philosophy and I'd like it for you too... That as you give unto the world , the world will give to you.

I you can help somebody who'se in sorrow and pain, then you can say to god at night.... My day was not in vain. And now i am contented That my life had been worth while, knowing as I passed along the way, I made somebody smile.

So if you meet somebody who is sad and feeling low, just lend a hand to pick him up, as on your way you go. When your'er walking down the street and your've got me on your mind. I'm walking in your footsteps only half a step behind.

And when its time for you to go... from that body to be free. remember you're not going.... You're coming here to me.##imported-begin##Kim##imported-end##
