“ Rog surely did enjoy his winters in Florida. I have several photographs he took out on Sanibel / Captiva Island . His family loved the beach. Hunting with Terry for hogs. . Lots of memories . Friend Lori Kelly reminded me of him installing her outside lighting..I forgot. I helped him in building my Pagoda out in front of my house. So many things... I sure do miss talking to him . I love you brother . Hope you and Terry can go hunting and fishing together. Rest in blessed peace. Love Sis.
