“ *This is such a loss for the Huffman family, who are part of my family, the Kuenzli's.*

Ronnie was my Dad's(Virgil Kuenzli)younger cousin, and Dad would take us down to Upper Sandusky to see our cousins, Ronnie and his family. I have many great memories with Ronnie: He let me drive his Scout on the farm, he saddle up the ponies so I could ride them (I was horse crazy then and now), and in my last farm visit during my college years, He and Gary let me drive the tractor baling hay. Ronnie had a great sense of humor, was quite the teaser when we were kids, and I always got in trouble for playing in his hay loft and coming out covered in hay for the trip home. My husband Steve was glad to have met Ronnie when he and Cheri visited us in San Diego last year. Our love, thoughts and prayers are with Cheri, Gary, Sharon, and Virginia. Love Cyndi (Kuenzli) and Steve Denny.###imported-begin##Cyndi (Kuenzli) Denny###imported-end##

“ Dear Huffman Family,
I really wanted to come and pass along my heartfelt sympathies in person but regretfully we will be out of town.
Cherie, I have great memories of coming to house with the huge rooms upstairs including the bathroo. I enjoyed playing tinker toys in the little room downstairs and if I was lucky going to the barn to see Nick and Nuget. I remember Ron having this big deep voice and being very tall. You always made me feel welcome. My deepest sympathies to you for your loss.
Sharon, you have been a great friend from the very beginning and I'm sorry I can't be there for you now. I'm so sorry for your loss.
Gary, I remember you showing me your dad's steam engine at the fair. I loved the whitle! I'm so sorry for your loss and hope that all the good memories will help you through this tough time.
Virginia, I'm so sorry for your loss. I suppose when I would spend the night with Sharon you had to give up your bed so thanks for sharing.
Thank you all for allowing me to spend some wonderful times with all of you. Without Ron/your dad it was made possible.
Remember the happy times.
With My Deepest Sympathy,
Dawn Richey Newell###imported-begin##Dwan Richey Newell###imported-end##
