“ *Family. Very sorry to hear of your loss. Martha - I have seen you but don't think I ever saw your brother, except in a photo. You called my dad, uncle Smith. So did Roxie. I am your mother's first cousin. Her mother and my dad were brother and sister. I last saw Roxie at her brother Francis' picnic in Forest when all his living siblings were there, except for Bill. I believe it was held at your mother's place. She would always call her uncle Smith and invite him to a Landon get-together. She was always silly with him and always a very good person who loved him a lot. I live in Arizona and could not make the journey back. Look to God to ease the pain and suffering. May peace be with you.##imported-begin##Larry & Dorothy Welch##imported-end##*

“ *Carl and Martha:*

I just want you to know how much your mom will be missed by everyone in my family, but especially by me. She always had a smile on her face and a warm hello no matter where she saw you.

She was also so thoughtful when my dad was dx with cancer and always concerned. Always thinking of someone other than herself.

You kids get that from your mom. I'm sorry I can't be there as I'm still stuck out here in Arizona. I'll look forward to seeing you when I come home in December.##imported-begin##Kimberly Triplett-Hunter##imported-end##

“ Dear Martha and Carl,
We were so sorry to learn of your mother's passing and send our deepest sympathy. Your mother was always so pleasant and always had a smile for everyone. I certainly enjoyed the times we mowed those lawns on Smith St. together.
It was like we were in a race and neither of us got it right, we always had to do it over. Ha!
I know you will miss her and I truly understand.
May God bless your memories.
Love and prayers,

Though we have never met Mrs. Sherman, Charles Thames put her name on our prayer list every Wednesday night. First Baptist Church has been praying for her for a long time.

We were sorry to read the obituary, but we pray that the Lord will comfort each one of you during this time of sorrow.
