“ I would like to offer condolences to you and your family. I know that this is a very difficult time for you. What if you had the hope that you could see tyour loved one again? Well the bible gives that hope. At Isa 26:19 it says "Your dead ones will live again... they will rise up." You may wonder how this is possible? God has the power to do this. If you trust in him sincerely he will reconize that as the bible say that he is a reader of hearts and because he is a loving God he will bring your dead loved one back. I hope that this little bit of information gives you some comfort in your time of need. In a few days time I will be sending a tract entitled "What hope for dead loved ones?" I encourage you to use your copy of the bible along with reading this tract.

If you would like more information about this, the bible or if you have any questions you contact me at 207-423-5358 or write to Rachael Menezes 48 green st apt 102 biddeford ME 04005

“ Carl, Rich, Steve, Joyce and Janet  
What an honor to have known your DAD. I remember working with Roy in plastics. He is a humble and gentle man. Everyone just loved him. I remember reading the article in the paper last year about Roy and it really touched my heart. What a special man. May God's grace and love be with always.
