“ I have many memories of Ruby as a child growing up. We (my sisters & I) were the "daughters" she never had, as she put it. Christmas mornings back and forth to each others houses to see what we all got from Santa. And Ruby's cheering at the midget football game....Hit'em again, Hit'em again, Harder Harder!!!! I agree with Marlene, she just told you how it was and that was that!!! She will be missed.....My greatest sympathy to all her loved ones, especially Bert.##imported-begin##Brenda (Batton) Keller##imported-end##

“ Dear family of Ruby, I am sad to hear of her passing. She was always so nice to me and always offering her abundance of vegetables from her garden. I considered her my friend. I know this will be so hard for you Bert, I know you and she had a wonderful marriage and relationship. She will always be alive in your heart and memories will always be around you. God has blessed you both with each other, many people never know such love, so you are truly blessed. If there is anything at all I can do, please don't hesitate to call. May God give you extra strength these days, I am praying for you. Kathy##imported-begin##Kathy Lasley##imported-end##

“ Ruby was always so much fun and I will have lots of fond memories of her while growing up on Hazel Street as a kid. Popping in on her and getting words of wisdom was always a treat. Ruby did not mince words, she said it how it was rather you liked it or not.

May Ruby rest in peace now knowing also that she is with Dean. God Bless to all her family, you are in my thoughts and prayers.##imported-begin##Marlene(Batton) Niederkohr##imported-end##
