“ Dear Family so sorry to hear of your loss. My prayers go out to you. I am one of Russell & Bernetta's nurse's at the home. One question Russell always had for me was "Oh it is Miss 95 and how is everything going out on 95?" Russell always called me Miss 95. I live down the road from Dale. So Dale I always gave your dad updates. He will be missed so much at our home, but he is in a beautiful everlasting home today. “ Back in 1997, Russell & Bernetta welcomed me into the neighborhood with open arms. They became my adoptive grandparents. Bernetta would be at the picture window almost every morning waving to me as I headed to work. Russell supplied me with memories of Tippy the dog, his many pygmy goats, chickens, horses, etc. He turned a city girl into a country girl. May God wrap you in his arms during this difficult time. Russell is now reunited with his Princess.##imported-begin##Jean Bowman##imported-end##
