“ Oh what a wonderfu man, father, uncle, cousin and friend Uncle Russell was. I never forget all the laughs and I mean laughs that we all shared with him. I remember eating really fast because I knew that Unc. would be saying something to make us laugh, needless to say I still spit my food out laughing @ him. He said what he thought and was honest about everything, he was liked and loved by all, if someone did not like him well to bad it was their loss. I will miss him lots, even though I did not see him often, we did speak to him and his dog often. I love each and every one of you dear cousins, you know that you had a great dad as we all know that he was a great man.

Love and my sincere sympathy

“ I was sad when I heard of Uncle Russell's passing. I will always remember him as funloving and dedicated to his big family. There,s a lot of fond memories of visiting his home when I was little. We always looked forward to going there to spend the night. Aunt Berthy was also a neat lady. I'm sorry that we could not attend the funeral or calling hours as I was chaperoning a trip to Gettysburg for the 8th grade class with my daughter, Layne. I want to say to all of my cousins that I have always loved you guys. My thoughts have been with you along with my prayers. I hope that we can keep in touch with all our busy lives. Time goes too fast. Love, Robin and Family.###imported-begin##Robin Binkley (Moore)###imported-end##

“ I am so sorry to hear one of my long time great friend passed away. I went up to see him one of the times he was in the hospital but naturally he was sleeping and I wouldn't wake him which now I wish I would have. I work at the front desk and always kept an update of him through his children. I didn't want to go to see him this last time because I knew he was very ill..I am one of Cathy Rowalt's closest friends and always looked for him out when I would go to see her when I went to see her when she was home. The old neighbor is going to be vacant pretty soon. Cathy is in Heartland and Grandma is getting up in age so won't be around a whole lot longer and now Russell is gone to be with his most beloved wife and friend and mother to his children and I know he really has missed her since her passing.He and I would have long talks about life in general and he would always have a joke or two or three..LOLL!! I will really miss him..He has a photo of me in my Guard Uniform from a long time ago when I worked at GE and Pacal Blades and was wondering if you were just going to throw it away if I could have it?? I think it was take while your Mother was still living. I don't know if I can make it to the calling hours since I don't drive out of town very often. IF not I will be there in my heart and wish I could comfort you a bit. If there is anything you need or help with please feel free to call me at 419-562-3411 or at 933 Whetstone St

I would be more than glad to help if possible. Can't do much but if I can I will. Hope you know he is with your MOM who he missed. He is happy now and free of pain and like you said to me about him he doesn't have to be in the Nursing Home any more. This in itself would please him because I think Russell was kind of a free spirit and his own man but with plenty of love for his wonderful and caring family..I speak for Cathy also who I know will just be devastated upon hearing of his passing and especially knowing in her frail condition won't even be able to pay her respects to him.

God Bless and Keep your whole FAMILY,
Robbe Fisher and Cathy Rowalt
