“ *Issac and family,
I just want to drop you a note and tell you how much your Mom was loved and will be missed. I worked with her at manor Care Palm Harbor and was one of the 3-Day walkers in her group. Sara was such a great fund raiser for the cause we had many fun hours making jewelry and harassing people for money. I'm sorry we were not able to see each other since she took on the west coast job, but always heard through the grapevine what she was up to. Know that she is in a better place and watching over you and your son looking down with that infectious smile.##imported-begin##Carrie Smallwood##imported-end##*

“ *It is hard to believe that such a bright beam of sunshine has left this earth. Sara worked many times with me in my region and division. Every time I saw her I knew I would laugh - what a gift she had for that! Sara taught many of us to take our responsibilities seriously but not ourselves!!May God bless her, her family and friends for today our world is missing a little sunshine. Sara would say "OK...SO...use a flashlight, but carry on!" Lynn##imported-begin##Lynn M. Hood##imported-end##*

“ I have known Sara for over 20 years. She was my consultant when I worked for Americare in Ohio. We instantly hit it off. She was smart, fun and a beautiful person. I left Americare and lost track of Sara. When I came to work for HCR ManorCare I noticed a Sara Bader on the mail list in my computer, I couldn't wait to find out if it was the same Sara from Ohio, to my great delight, it was! What a thrill it was for me to make contact again with Sara and work with her again. I will miss her beautiful smile and wonderful sence of humor. She was so proud of her family, especally her Grandson. She will be missed! She will also be remembered forever by those of us who truely loved her. Rest in peace my friend. Luv you Mean it!!!

“ I’ve known Sara for six years but only had the honor of having her as my friend for the past year. She was an inspiration to work with and I always knew no matter what the situations, if Sara was there, we would have a good time. We would talk almost every day, even on weekends, and she’d tell me play by play action of what the dogs were doing. My favorite memory of Sara is our week long tour of the Southern California facilities and our encounter with the “Land of the Living Dead.” We laughed so hard we cried. That’s how I’ll always remember her, laughing.##imported-begin##David Bolkovac##imported-end##

“ Yes, Sara and I worked together but we also laughed together, ate alot, and worked hard to lose weight together. The twinkle in her eyes will light up heaven's sky-a twinkle for a little bit of devilment, a twinkle of joy for her family and friends, a twinkle for a job well done, a twinkle for a new piece of jewelry, and a twinkle because you were her friend. Sara, you are missed and loved, and your life will always be a part of each of us.##imported-begin##Bonnie S. Parker##imported-end##

“ I was a cworker with Sara for 15 years even worked for her when she briefly left HCR she was a friend and a gambling buddy. She loved Jacob so much It was hard to imagine her as a grandmother but she loved that title. I know she is with her family now and is looking down and saying "It's still all about me" One of her favorite expression and those who knew her will appreciate this Remember Sara we love you and will miss your laughter and your ability to see everything in a positive light and to keeping us laughing in all "interventions"###imported-begin###martha Davis###imported-end##

“ Sara was a beautiful friend. I worked with her off and on from 1995, her humor kept me going when things were not going well. I know how much she loved her family and as a pet lover as well we shared many stories. I know she is happy and smiling down on all of us. She touched many and I am heartbroken that she is no longer with us. Thank you for sharing her with me. Love, Candy###imported-begin###Candace Burks-McCoy###imported-end##

“ I had the opportunity to work with Sara when she was in Florida. She was always a great supporter and always had a kind word for everyone. Everyone could count on Sara for a great attitude a BIG smile and a laugh that was infectious! Even in our hurricane crisis she always kept her sense of humor. Sara is one of those rare people who always made you feel better by just being in her presence. She was always quick to offer her services (or volunteer Jerry for a spa day) just to be supportive in any way. She will be missed by so very many people. We have lost a real treasure. May God Be with you at this most difficult time as our Lord welcomes her HoME##imported-begin##Kathleen Murdock##imported-end##

“ Sara and I worked together for a lot of years. She was a very special lady. She talked about her family often, especially her grandson. She often shared pictures with me. She had also shared the story of the sailor outfit with me and she couldn't believe that she had the patience to do this sewing. I am so blessed to have spent time with her. I will miss her a lot. My thoughts and prayers go out to her family.##imported-begin##Kim Brandeberry##imported-end##

“ I too had the great fortune to have worked with Sara. She was my nurse consultant for about 3 years and during that time I got to know a very kind, loving and FUN person. She knew how to get a job done well and have lots of fun while doing so. She taught me many things about work and life in general and was the kind of person that lived her life like many of us only wished we could. I am truley grateful to have had the opportunity to spend the time that I did with Sara and I will cherish it forever. My thoughts and prayers are with her family during this difficult time.##imported-begin##Sharon Broders##imported-end##

“ My heart is also saddened at this time. I don't know where to begin. The life we have here on earth is only for a minute, but what wonderful minutes Sara shared with me. We worked together for many years. We shared the good and the bad times of our personal lives, which provided support to both of us. I saw her at the corporate office days before her sudden death. While at the office, we talked, oh yes, we discussed clothes and shopping. Sara had the ability to work with other people, maintain the teamwork and get the work done as we cared for the residents. Her passing will leave a huge void in all of our lives. Sara thanks for your friendship and faithfulness. We will all forever cherish those memories. I know she is smiling down on all of us. May God wrap His arms around all of you at this time and comfort you as only He can.

“ Sara was one of my mentors with HCR Manor Care. She became a good friend. We traveled to Hawaii together on two occasions. She loved life and people. She was a master in her field. She frequently referred to our friendship as being synonymous with the ODD COUPLE. She nicked named me Felix and herself Oscar.
I truly was blessed by her time in my life.

“ I too worked with Sara in the Clinical Automations group. We had so much fun traveling together! She kept us laughing just about the whole time! I only had a opportunity to see her once in the past 7 years, but it was like we'd never parted. Funny how life is like that. I think afterlife will be the same. It will only seem like moments when we come together again. My thoughts and prayers are with the family. She talked of you often, especially Isaac. She regaled us with many stories of her youth and of later years as well. God Bless all of you. I'm sure Heaven's rejoicing.##imported-begin##Marilyn Baker##imported-end##

Sara and I met in Tucson Arizona and we were immediately touched by the many similar things that have happened in our lives. Sara was a giving loving person who always found humor in tough situations. We often talked of our little grandchildren and compared "peapod" stories. “ Sara may have divorced Denny (my brother) but in my heart she was and will always remain a sister. Over the years she provided me guidance in both my personal life and professional life. She was always full of fun, sense of adventure and love. Oh how she loved family. Just in December she gave me a photo of her most loved grandson in a sailor outfit she had made for Issac when he was a baby that was now on Issac's son. Denny was in the Navy for a while thus the Sailor outfit. I followed her to many jobs as she would call me and say "Jo I am leaving the position you need to come apply." Took me a little while to start working for HCR ManorCare but when I called her and told her I was on board she replied "About time!" She was always there for me and I will miss talking to her, getting advice from her and sharing life with her. Rest in Peace. Knowing you, heaven opened its arms wide open to welcome you and you will continue to watch over not only me but all of us who knew and loved you. I will hold you in a special place in my heart forever.##imported-begin##Jo (Blackurn) Walters##imported-end##

“ Sara,

We all miss you terribly.

I am consoled by the story that, as someone on this shore slowly watches a ship disappear over the horizon and says "Look, there she's goes!"...on the other shore there is someone smiling who says "Look, here she comes!"

Rest in Peace.

“ I want the family to know that Sara brought much joy to her co-workers. I was her supervisor at HCR ManorCare when she worked in the Clinical Automation area. Traveling with her was so much fun, she always had great stories to tell. The last time I talked with her she was so happy to be a grandmother. Her love of Isaac and her care and concern for her brother and sisters was also evident. She often mentioned that she was the youngest, with a twinkle in her eye! She will certainly be missed by all.
