I will miss seeing Shane and spending time with him at deer season and all the laughing that usually goes on and listening to all the reminiscing of past hunting seasons.

“ Kathy and Mike, I'm so sorry. My heart is absolutely broken, I can't begin to imagine how you feel. I met Shane when we were so young, I think when we were 9 or 10. I remember riding bikes, playing on the trampoline, riding go carts and playing on dirt bikes in a corn field. I remember summers spent at the Forest pool. He was the first boy to ever hold my hand. Being able to grow up and see our kids play baseball together was such an awesome experience. Not many people get to keep a friend long enough for that. He made a very large impact on my life, and the lives of so many other people. I just want you to know that he will always be remembered, and greatly missed.
