Dear Family, how do I put in words a lifetime of having Sharon, my cousin, in my life? I miss her smile, her warm loving heart, sincere hugs, how are you doing , willingness to be of help, her laugh and so much more. I don't miss her suffering. Always remember how much she loved each of you and share memories often with each other. Don't forget to laugh at the stupid things as she would do. We love you and share in your loss. God bless.
