“ To Nina and Steve the only kids of Craig and Carol that I have met. I knew them for about 30 years having first met them at Camp Perry then down through the years of shooting and attending gun shows and we also shot at the farm occasionally. I took instructor courses at Wyandot that Craig gave. He was especially proud of his many coaches and instructors the he taught. While he wasn't near as good as shot as he let on he wasn't bad and he was a good line coach. I will miss him greatly.##imported-begin##Earl Comer##imported-end##

“ Craig will be missed very much. I knew Craig through the Ohio Rifle and Pistol Association and I learned a lot from him as an ORPA junior. He had such passion for teaching the sport and loved passing down his knowledge to beginners and accomplished shooter. It gave me great pride to make him proud of my shooting accomplishments from small to big because he had a hand in the all of them. He was like a grandpa to me, always a kind word with a hug and kiss waiting for me at the range. God bless you and may your family find peace that this difficult time.
